

Green River Collection - Definitive List (October 2003)

Notes: Original collection was used as legal payment by original owner, William J. Stevens II, suspected Green River Killer, to attorney Craig C. Beles (CCB). Mr. Beles denotes that over 1000 books (actually around 1550 books) of the collection were sold in 1993 to John M. Hauser (JMH) of Madison, WI. An additional 75-odd books from the collection were sold to Shin C. Kao (SCK) in March-April 2003.

The following list denotes the comics sold to Mr. Hauser and Mr. Kao and the conditions of the books as graded by Craig C. Beles (CCB), seller of the Green River Collection. Mr. Beles is not a comic collector and graded based on the Overstreet grading criteria as listed in books from the 1992-1993 period. In most cases, he undergraded the comic. [Listed GRADE (CCB).]
Comics sold to SCK were graded (conservatively) in 2003 by CCB.

The 2nd column of GRADE (JMH/JH) denote grades given by John Hauser/James Haack as denoted in an ad placed in CBG on March 26, 1993.

Multiple issues are denoted with (1), (2), (3), etc. after the Title. Marvel Chipping is denoted by (MC).

Updated April 25, 2003

It was determined that James Haack (JH) partnered with John Hauser (JMH) in the purchase of the original collection for \$25,000. After recouping their costs with a CBG ad, the remainder of the collection was split between them. Haack put up some 74 books up for auction in October of 2003. GRADE (JH) denotes the grade given by JH during the eBay auction description. Visit <http://www.corpcity.com/CGC/> for more information.
